Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amount and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

INDIA DEVELOPMENT AND RELIEF FUND, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2015

NOTE 1: NATURE OF ACTIVITIES & SIGNIFICANT ACCOUNTING POLICIES

India Development and Relief Fund, Inc ("IDRF") was established by Dr. Vinod Prakash and other members of the Board, as a nonprofit organization, in the state of Maryland in 1987. In 1988, IDRF was approved by the Internal Revenue Service as a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code. The organization aims to help the needy, disabled, underprivileged or impoverished people in India, and, to a limited extent in Nepal, United States, and other countries, to become self-reliant and modernized, yet rooted in the culture and civilization of their respective countries, by raising tax-exempt contributions in the United States. The organization prepare its financial statements in conformity with generally accepted accounting principles.

These objectives are achieved through various types of assistance, including but not limited to: (a) value-based education and vocational training for children and adults; (b) health care; (c) eco-friendly rural development and environmental protection; (d) women's empowerment through micro-credit and other means; (e) tools for improving governance; and (f) relief and rehabilitation of victims of natural or man-made disasters.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Concentration of Credit Risk Arising From Cash Deposits

The Organization's cash funds are located in various financial institutions. The amount of deposits as of December 31, 2015 in bank accounts, per bank records is \$700,337 and \$285,191 which is in excess of FDIC insurance limit of \$250,000.

Property and Equipment

Purchased property and equipment is recorded at cost. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support.

Depreciation, Repairs and Maintenance

Depreciation is calculated using the double declining method over the estimated useful lives of the assets. Expenditures for maintenance and repairs are charged to expenses as incurred. Major renewals and betterments are capitalized. When equipment is sold or retired the related cost and accumulated depreciation are removed from the accounts, and the resulting gain or loss is included in the statement of activities.

INDIA DEVELOPMENT AND RELIEF FUND, INC.

There were no permanently restricted net assets as of December 31, 2015.
