Flood Catastrophe Hits Bihar!
Please make a donation to help the devastated families.

Heavy rains have burst the Kosi river embankments, displacing over 1.6 million people in northern Bihar and destroying their houses and belongings. People are compelled to seek refuge on embankments, national highways, or in treetops.

IDRF urgently needs your generous help to provide emergency supplies to **260 impoverished and marginalized families in Madhubani district**, one of the hardest affected districts.

**Each Relief Kit costs only \$72 per family
and provides food, shelter and hygiene supplies
for 14 days.**

**NOTE: 100% of the donation you give goes directly to helping flood victims
rebuild their lives. Please consider making a donation today. All donations are tax-deductible.**
